## What a week!

The school has been a buzz of excitement this week. The children have all been engaged and eager to learn and share what they have been doing in class. It has been lovely to see how well all our new additions have been settling into school life and how well they are adjusting to being in Reception.

It has been wonderful to see everyone enjoying their swimming lessons this week and there are some many children who have made so much progress over the Summer.

## Meet the Governors

Hi! I am Vicky Hutchings and have been a parent governor for almost 4 years. I have two children at the Globe; one in year two and one in year five. I am passionate about helping young people to achieve the best they can and for the past twenty years I have worked in the Education Sector as a primary school teacher and am currently working as a supply teacher across the county. Currently my main two focuses (which I plan my days in school to focus on) as Governor is with the Early years and 'The Great Reading Scheme' which the Globe are embedding in their curriculum.

## Attendance heroes

A big well done to the following classes for achieving over our 96% attendance target last week:

Shoreham, Brighton, France, Canada, Mexico, Peru, Japan and New Zealand!

## Upcoming events

Next Friday we have a non-uniform day. If your child would like to participate in this please ensure they are wearing appropriate footwear. We kindly ask for a donation of £1 per child taking part. The money raised for this will be going towards running our special apple day events the following week (a letter will follow shortly detailing what apple day is).

## FOG donations

On Fridays FOG take children out to celebrate their birthday with birthday baking. If you have any used ice cream or selection box tubs please consider donating them to FOG so children can bring their cupcakes home.
