## What a week!

Once again it has been a busy week around the school. I have seen some fantastic learning and so many faces engaged and enjoying their learning! As a school we have been developing our positive behaviour policy and have introduced short lessons to help support the children with this. I have to say I am so amazed with how well they are all doing. The legendary lines around the school, the wonderful walking and all those marvellous manners! I am so proud of everyone! I would also like to say thank you to all our parent/carers for supporting our push on uniform and supporting us by ensuring children are in school wearing their correct uniform and shoes.

## Volunteers / Helpers

Do you have some time to spare? Would you like to help children grow in confidence with reading? Why not come in and volunteer to hear children read?

As a school we listened to feedback from parents and carers and have started to arrange more trips, out of school events and outdoor Wild Wood Learning. In order to carry these events out we have to ensure safe child to adult ratios but not just that - we would love for parents/carers to be able to join us with these fun activities. So why not head into the office for DBS paperwork so you can come along and join in too!

## Attendance heroes

A big well done to the following classes for achieving over our 96% attendance target last week:

Brighton, Shoreham, Italy, France, Germany, Canada, Peri, Morocco, Tanzania, Bangladesh, Japan, South Korea, and New Zealand!
