Halloween Discos!

Well, it has been a very exciting week this week with lots of music, dancing and some fantastic costumes.

Thank you to FOG for once again organising fantastic events that the children really enjoyed. I can't wait to see what is lined up for Autumn 2.

Attendance heroes

A big well done to the following classes for achieving over our 96% attendance target this week:

Italy, Tanzania, Fiji and New Zealand! I wonder if any class can score the perfect 100% next week.

Meet the Governor

My name is Charlotte Doddington and I am a Parent Governor at The Globe Primary Academy.

It is my job to offer direction and question specific areas such as the performance of our school. Within my responsibilities as Governor, I have two link roles these are "Behaviour" and "Communication". I work with our Governing body to help elevate both these areas at The Globe. Not only am I a parent of two Globies, I am also a member of staff. It is my aim to offer current views that represent parents/carers, whilst being knowledgeable of internal points of view. My professional career prior to working in school was in marketing communications and I hope to bring ideas and strategies to help drive our school forward. My role as a Teaching Assistant allows me to experience first hand how our policies are working in practice and identify further areas of development. I am extremely passionate about driving our school forward and pushing for the best for all of our children and our wonderful team.

Upcoming events

On Tuesday 12th November, we will be holding our annual Odd Socks day. On this day the children are invited to come into school wearing their normal uniform but odd socks. This event is part of our Anti-Bullying week and a way to celebrate how we are all unique and special!

FOG donations

On Fridays FOG take children out to celebrate their birthday with birthday baking. If you have any used ice cream or selection box tubs please consider donating them to FOG so children can bring their cupcakes home.
