What a week!

Well how amazing were the Reception nativity performances this week! I was blown away by how confident they all were. It was such a lovely way to start the festivities in school.

Thank you all for the donations going towards our reverse advent calendar! All the items you donate are going towards our community hub and therefore are going straight back to help our community. Don't forget to pop into our hub, it is open every Wednesday, we have a range of clothes, shoes, games for all ages and now food. Our hub is designed as a take what you need service but if you don't need anything come in and just join us for a cup of tea and a biscuit, young children are welcome to join.

It has been a busy, crafty week this week with food tasting in Year 4, marble run constructions in Year 5 and lots of Lego building at club!

Don't forget to wear your Christmas jumpers, alongside normal uniform, on the 12th!

Attendance heroes

A big well done to the following classes for achieving over our 96% attendance target this week: Brighton, Shoreham, Morocco and Fiji! We didn't manage any 100% attendance this week but I'm sure we will be able to reach it again! I wonder who will achieve 96%+ this upcoming week.
