Sports for schools visitor

The Globe have an exciting event happening soon. On 5th March, the children will be visited by Paralympic Medal Winner Jodie Grinham.

Who is Jodie?

Jodie Grinham is a British archer who represents Great Britain in the Summer Paralympics. She won a silver medal at the 2016 Summer Paralympics in Rio de Janeiro and at the 2024 Summer Paralympics she won team gold and individual bronze, while seven months pregnant with her second child.

The children have recently brought home sponsorship forms which, alongside any sponsorship, need to be returned by 5th March. Alternatively you can use the following link to complete sponsorship

On the day of Jodie's visit there will be a whole school assembly where she will share some of her experiences and the children will have an opportunity to ask her questions. There will also be lots of sports themed activities happening. PE kits will need to be worn.

Number day

We will once again be supporting NSPCC number day this year on Friday 7th February 2025. We are asking children to come to school wearing non uniform - ideally with a maths/number themed outfit As well as this the school council have decided that there will be both a KS1 and the KS2 scavenger hunt and more.

Parking

We have received a number of complaints from the school's neighbours regarding parking by parents accessing the school in the mornings and afternoons, including parking in the zig-zag lines outside school and parking across private driveways. As with the majority of primary schools in the country, we do not have a 'parent' car park. If you do need to drive to drop off or collect your child please park considerately and ensure you are not obstructing drives, garages or access to roads. Please be respectful of our neighbours and remember that parking on zig-zag lines at any time of the day is prohibited. Our children's safety is our main priority and this includes their journey to and from school. We appreciate your support in this matter.
