The Globe Primary Academy

What a week

It has been such a busy and exciting week here at school, filled with memorable trips, special visitors, and a wonderful celebration of World Book Day. It has been truly amazing to see the enthusiasm and joy that our children have shown in their learning, making the week even more memorable for everyone involved. We are thrilled to share that we've received fantastic feedback from the public about our children's exceptional behaviour during their trips, which is a real testament to their maturity and respectfulness. Additionally, we've thoroughly enjoyed welcoming all of you to our swimming galas. It has been a pleasure to see both the children and the parents so engaged and excited, and we're so glad you enjoyed these events as much as the children did. For our Reception parents, don't worry—you'll get to experience the swimming galas later on in the summer term. We can't wait for that! Thank you all for being such an important part of our school community. - Mrs Salvage

Jodie Grinham Visit

Wow, what an amazing time we had during Jodie's visit! The children were inspired as they learned all about archery, how Jodie became a Paralympic Medalist, and the dedication it took for her to perfect her craft. They had the opportunity to participate in a variety of sports activities, and everyone had an incredible day filled with fun and learning. It was truly an unforgettable experience for our students!

Key Dates

INSET DAYS

Monday 21st July 2025
Tuesday 22nd July 2025

Spring Term 2025

06.01.25 - Ends 04.04.25
Half term: 17.02.25-21.02.25

Summer Term 2025

Starts: 22.04.25 - Ends 18.07.25
Half term: 23.05.25-30.05.25

Germany	95%	Japan	97%		
Canada	95%	South Korea	96%		

Trips, trips and more trips

What a busy week it's been! Year 2 had an exciting trip to Washbrook Farm, where they got hands-on with a variety of animals and learned all about farm life. Year 3, on the other hand, visited Butser Ancient Farm as part of their history topic, diving into the Stone Age. They explored ancient houses, discovered what they were made from, and even got to play archaeologists! The children had the chance to make their own bronze age jewellery, craft cordage bracelets, and so much more. It's been an action-packed week of learning and discovery for all!

Upcoming events

WB 10.03.25 - Science Week
17.03.25 - Scouts non-uniform day - St Patrick's
