# The Globe Primary Academy

## A snapshot of our week!

It has been an incredibly exciting week at The Globe! The school has been buzzing with enthusiasm as the children explored the theme of "Changes" for Science Week, diving into a range of engaging activities that sparked their curiosity and imagination. Meanwhile, our Year 1 children had a fantastic day out on Monday, visiting the local footbridge to learn about its design and engineering. While there, they had a blast waving at passing vehicles and celebrating every honk of the horn from the drivers below!

In addition, the Wild Woods area has continued to grow and develop, thanks to the hard work of 12 Year 3/4 children, Mrs. Wakeford, Mrs. Thomas, and the wonderful team from the Sussex Wildlife Trust. It's been a week full of discovery, learning, and fun – what a busy and exciting time at The Globe!

## Quack Quack!

It's an exciting time in the Reception classes as they welcome some very special visitors! As part of their topic on living and growing, FOG has generously provided duckling eggs for the children to observe. The children will have the wonderful opportunity to watch the eggs hatch and watch the ducklings grow, before they return to the farm just in time for Easter. What a fantastic hands-on experience for our young learners!

## Red Nose Day

We're excited to celebrate Red Nose Day! Children are invited to come to school dressed in as much red as they like. Whether it's red hair, red nails, red clothes, or all of the above - the redder, the better! Let's make it a fun and vibrant day!

## Wow Wow Wow!

We have an exciting visitor coming to The Globe on 1st April! Jump Start Jonny will be joining us for a fun and energetic session, where the children will have the opportunity to take part in some of his famous moves. A big thank you to FOG for their generous donation, which has made this visit possible. On the day, we kindly ask that all children come to school dressed in their PE kits to fully participate in the activities.
