The Globe Primary Academy

A snapshot of our week!

What an exciting week it has been at school! Year 6 had a fantastic trip to SRWA, where they enjoyed a wonderful dance show—an inspiring experience for all. Year 5 are busy with their final rehearsals, eagerly preparing to showcase their performance to parents next week. Meanwhile, Year 4 have been making great progress in their clarinet rehearsals and are nearly ready to share their musical talents. Over in Reception, the children have been taking excellent care of some adorable ducklings, who have now set off for their new grassy home on the farm. It has been such an enjoyable week with two fantastic music performances—one from the children and their Rocksteady bands and another from the incredible Zyló drumming group. What a rocking way to end the week!

FOG updates

We would like to say a huge thank you to FOG for all their hard work and incredible support. Recently, they have helped fund Jump Start Jonny's visit, provided the adorable ducklings for Reception, and have now generously funded a 3D printer for the school! We are so grateful for their contributions and can't wait to explore all the exciting projects this new technology will bring. If you are interested in joining FOG and supporting the school, please get in touch at friendsoftheglobe@gmail.com.

Key Dates

Canada	83%	South Korea	90%		

Thank you!

As you know, Lego Club is extremely popular at our school, with many children eager to take part each week. We are incredibly grateful for the generosity of two parents who have kindly donated multiple big boxes and sets of Lego over the last term. Their support has made a huge difference, allowing even more children to enjoy building, creating, and using their imaginations. A big thank you from all of us!

Jump Start Jonny

We have an exciting visitor coming to The Globe on 1st April! Jump Start Jonny will be joining us for a fun and energetic session, where the children will have the opportunity to take part in some of his famous moves.
