The Globe Primary Academy

A snapshot of our week!

It has been a busy and exciting week! Year 4 are eagerly preparing for their upcoming clarinet performances, showcasing their musical progress. A group of Year 6 students visited SRWA to celebrate their fantastic achievements in the reading challenge, while Year 3 have been getting their hands dirty making seed bombs, learning all about plants and the environment. Well done to all! - Mrs Salvage

A Twelfth Night

Year 5 have achieved an exciting milestone this week by fulfilling an 11 Before 11 promise! They dazzled their audience with two incredible performances of their own unique adaptation of Twelfth Night. With enthusiasm and confidence, the students brought Shakespeare's classic comedy to life, showcasing their acting talents, teamwork, and creativity.

From mastering the language of Shakespeare to delivering expressive performances, each student played a vital role in making the production a success. Their hard work and dedication were evident in every scene, leaving the audience thoroughly entertained and impressed. It was a fantastic experience that not only developed their performance skills but also built their confidence and love for storytelling. Well done, Year 5—what an unforgettable achievement!

Year 6 Mayan Day!

Year 6 had a day filled with discovery and excitement. The children particularly enjoyed trying on traditional Mayan clothing, which gave them a real sense of the culture and lifestyle of this fascinating civilization. One of the highlights of the day was learning about the Mayan number system, which is quite different from our own. The students were challenged to solve problems using the unique combination of dots, bars, and shells, deepening their understanding of historical mathematics. They also examined real and replica artifacts, helping them to piece together what daily life might have been like for the Mayan people. Overall, it was an enriching and engaging experience that truly brought history to life. The students left with a newfound appreciation for the achievements of the Mayan civilization, and many couldn't wait to continue their learning in class.

Upcoming events

WB 31.03.25 - Peer on peer focus week

The Globe Primary Academy

COMPETITION TIME

We have an exciting opportunity for the children at The Globe to design a poster that will explore our school's core values: Ready, Respectful, and Safe.

They can draw and write examples of how they can be Ready, Respectful, and Safe at school.

Here's how you can help:

- Encourage the children to take part by designing posters that reflect the values of Ready, Respectful, and Safe.
- They can include drawings and written examples of what these rules look like in action.
- Entries to be returned by Tuesday 22nd April.

The winners will have their posters laminated and displayed around the school, so their work will be showcased for everyone to see.
