The Globe Primary Academy

Photo day

A quick reminder that class photos will be taken on Tuesday, 20th May. Please ensure all children come to school in full school uniform and ready with their best smiles! We're looking forward to capturing these special memories.

Our visitor this week

We are very excited to welcome Heather Olver to The Globe on Thursday 22nd May! Heather is a celebrated English badminton player whose impressive career includes a silver medal in mixed team and mixed doubles at the 2014 Commonwealth Games, as well as a bronze medal in women's doubles at the European Championships. She has competed on some of the biggest stages in the sport, including the 2016 Rio Summer Olympics, and has reached the finals at prestigious tournaments like the London Grand Prix Gold and the Scottish Open.

Heather began her badminton journey at the age of six, playing at Waldron Junior Badminton Club alongside her brother. Her early passion and dedication led to national success in 2005, when she won the women's doubles at both the England Junior Championships and the Welsh International. She went on to achieve multiple international wins in 2009, setting the stage for a stellar professional career.

We are truly honoured to have Heather visit and inspire our students with her story of perseverance, talent, and sporting excellence!

Well done Year 6

We are incredibly proud of our Year 6 children, who have now completed their SATs. Throughout the year, they have shown exceptional dedication, resilience, and a positive attitude towards their learning.

No matter the outcome, we couldn't be prouder of each and every one of them. Their hard work and determination have truly shone through.

With SATs behind them, there's so much to look forward to—our exciting Enterprise Sale, the much-anticipated residential trip, and of course, the end-of-year play, which promises to be a fantastic celebration of their time at primary school. Well done, Year 6!
