The Globe Primary Academy

What's happening at The Globe

It's been a fantastic week full of hands-on learning and creativity across the school! Year 4 have been exploring our beautiful Wild Woods, using natural materials to design and craft their own photo frames. Year 3 have taken a scientific approach by carefully dissecting and labelling the parts of a plant. Year 2 have shown incredible artistic flair, decorating their own mugs in the style of Emma Bridgewater. Year 5 have kicked off their Field to Fork unit by planting vegetables in our school allotments, learning how food is grown from seed to plate. Year 1 have been learning all about algorithms and coding using Bee-Bots—there's been lots of problem-solving and fun along the way! Reception have had a wonderful time exploring the world around them, noticing signs of spring and engaging in outdoor learning. And finally, a big well done to Year 6, who have been working incredibly hard as they approach their SATs with focus and determination.

We hope you all have a lovely bank holiday weekend and enjoy the sunshine—let's hope it continues! - Mrs Salvage

Parking reminders

We kindly ask all parents and carers to be considerate when parking near the school. We have received several complaints from our neighbours regarding driveways being blocked and cars parking on double yellow lines. Please ensure you park safely and legally, showing respect to our local community. Your cooperation helps keep everyone safe and maintains positive relationships with our neighbours—thank you.

Key Dates

INSET DAYS

Monday 21st July 2025
Tuesday 22nd July 2025

Summer Term 2025

Starts: 22.04.25 - Ends 18.07.25
Half term: 23.05.25-30.05.25
